破の薔薇

デザート・ローズ

File 13: Red Star Gall (1)

IT USED THE
SAME PASSWORD
PROTECTION, SO
THEY PROBABLY
THOUGHT IT WAS
THE SAME TYPE.

SO IT
WASN'T A
REJOSKA II...

IS THAT
THE
END OF
IT?

HE FULLY
PLANNED FOR IT
TO BE RE-
MOVED...

HEARING...
THE CULPOT
USED THE SAME
COMPUTER
PROTECTION AS
REJOSKA II

EXACTLY
SO...

UH-HUH. FROM NOW ON
WHEN YOU GO SIGHT-SEE-
ING IN MOSCOW YOU'LL BE
ABLE TO VISIT THE UTTERLY
DESTROYED CHURCH OF
SAINT NIKOLAI.

PROFES-
SION-
ALS... YOU
WERE
CIVIL-
IAN?

AND
CALLED IN
PROFES-
SIONALS.

WELL...
APPARENTLY
THEY SAID IT
WAS MORE
THAN THEY
COULD
HANDLE

THEY
WERE
AT
FIRST...

IS THE MILITARY
BOMB SQUAD
HERE?

UH-HUH, THE ONES
THAT SPECIALIZE IN
DEALING WITH TER-
RORISM, INCLUDING
BOMBS.

GUESS
I
THINK IT
WAS
CALLED...

USA 3:00 PM

"BONNIE Q"...YOU MEAN THE ONE ON THAT TRANS-CONTINENTAL EXPRESS TRAIN?

IT LOOKS LIKE AN IMPROVED VERSION OF THAT "BONNIE Q" ASSEMBLY FROM MINNESOTA.

"TOKU!"

THE MOTION SENSOR AND GYRO ARE COMBINED...

HERE

DATA ON THE BONNIE Q.

YEAR...THE ONE ON THE TRAIN DON'T HAVE A MOTION SENSOR OF COURSE, BUT THIS ONE IS STATIONARY, SO IT HAS ONE...

HERE IS THE DATA ON DISMAN-TLING IT...

A BATTERY PACK AND EXPLO-SIVE...

TAGS'S A SAFETY ON THE FRONT.

ON THE LEFT...AN INTERFACE UNIT WITH A TAGS.

LISTING HERE, A LOOK.

I'LL HAVE THE DATA ON DISMAN-TLING IT IN A JIFFY.

JESSI-
CAN!

THIS THING...
CANNOT BE
REFUSED. IT'S
GOING OFF
IN TWENTY
MINUTES. GET
EVERYONE
OUT. NO
GOOD...

SORRY

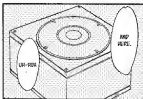

THAT'S A
WRAP!!
-1825ARS-

BUT ON THE RIGHT SIDE
OF THE INTERFACE UNIT
THERE WERE SOME
WIRELESS SIGNALS
AND A LOT OF CORDS
CONNECTING TO THE
PHONE.

FROM THE PACK-
AGE AND LAYOUT
I THOUGHT IT WAS
A PHONE G...

LOW-NOISE

AND
RECEIVE

HERE...

IF YOU OPEN THE UNIT,
THE LIGHT SENSOR SETS
OFF THE EXPLOSION. IF
YOU MOVE THE UNIT, THE
MOTION SENSOR SETS OFF
THE EXPLOSION.

WHAT
POSS
TAK
REAR?

I FIGURED THERE
MUST BE A LIGHT
SENSOR IN THE IN-
TERFACE UNIT.

ANYWAY, THE
THING WAS
KIDDED WITH
SENSORS

SO
THERE'S
NOTHING
YOU CAN
DO...

I'M
GUESSING
IF YOU TILT
IT MORE
THAN A
COUPLE OF
TIMES...IT
PROBABLY
BLOWS UP
AS WELL.

I DIDN'T
TEST IT,
BUT THERE
WAS A
GAS
SENSOR
TOO.

JESSICA

IT WAS JUST MY LACK OF SKILL THAT KEPT ME FROM DOING IT.

THERE IS NO POWER... THAT CAN'T BE DEFUSED. IF A HUMAN PUT IT TOGETHER, A HUMAN CAN DEFINITELY TAKE IT APART.

OH-HO... TO PUT IT BLUNTLY... IT CAN'T BE DEFUSED.

HER POWER IS KEPT TO PIECES.

JESSICA... SHE'S IS DOWN...

STOP IT YOU TWO.

I'LL SUBMIT MY REPORT TOMORROW.

MADE

FUSING FORMED WITH THE POWER OF DIA TO MONSTERLIZE IT... BUT THIS TIME...

JESSICA'S JUDGEMENT WAS CORRECT.

WOAH...
THAT'S
COOL-
TION
FOR
JESSICA.

THIS BLOOMER
JACKET WAS
ORIGINALLY A
BOMB EXPLOIT FOR
THE GREEN
BOREIL. THEY SAY
HE WAS IN A
LEAGUE BY
HIMSELF.

OKAY,
MACK...
LET'S GO
IN!

SHUT UP
YOU TWO!

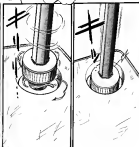

FROM
I THOUGHT
JESSICA
WAS THE
BEST IN
CUT.

IDIOT...
THE OLD
GUY WAS
JESSICA'S
TEACHER.

A BOMB
MIX
WRENCH
—

THIS THING
WAS OLD
FASHIONED
TRAPS AS WELL
AS HIGH-TECH
ONES.

THERE'S A SEALON
SEAL...IF YOU TURN
THE SCREW THAT
WOL...KIBROOM!

THE LIGHT
SENSOR THERE
WILL NOW GO TO
SLEEP

HE...
KNOWS
HIS
STUFF...

(She) thinks

LOOK...
THERE'S A
LEAD ATTACHED.

TOGETHER

WACK! GET ME
THROUGH THE
PASSWORD PRO-
TECTION ON THE
COMPUTER.

THAT DOES
IT... WE SHOULD
BE ABLE TO
TAKE OFF THE
CODE.

C-
COM-
MUNIC-
ATION-
SYSTEM

ON THE RIGHT
SIDE OF THE
INTERFACE UNIT
THERE WERE
SOME WEIRD
HELP SEARS...

THERE WAS A
UNIT ONE TIME IN
CHICAGO WITH A
BUNCH OF THY
YOLDS IN IT. I
WORKED ON
THAT THING FOR
TWO HOURS.

A BUZZ

TH

I GUESS
IT WAS
DOING
NOTHING...

THERE'S
A CANTY...
PERIOD ALL
THREE OF
THEM...

NO...I'VE
TRIED EVERY
PLACE SHE
MIGHT BE...

HELLO?
DID YOU
REACH
JESSICA?

I OVER-
THOUGHT
IT.

BUT...IT JUST
TURNED OUT
TO BE THE
MATERIAL
THEY USED.

FINE...LET'S
GET PAST THIS
COMPUTER.

THAT'S
RIGHT.
